

**This is a day of study for
Years 8 & 9
Opportunity to meet together in
the inspiring setting of
St Davids Cathedral.**

The programme will enable your pupils to:

- Understand key Religious Studies themes through creativity and interactive learning.
- Chance to improve your RE Skills

Students say...

“Everyone was invited, all the time, to say their own views. It was good that the day was a chance to think about our own ideas without anyone pushing their ideas onto us”
