A fantastic opportunity to meet representatives from many world faiths & philosophies & respond to all you see, hear and experience through music, art, dance, drama, meditation, science & environment, history and RE. The practitioners will explain/demonstrate something of their faith/philosophy using artefacts and ideas which your pupils can respond to for themselves. You will be allocated three workshops for your day in and around the Cathedral and Tŷ'r Pererin. Peace Ambassadors from Ysgol Penrhyn Dewi Church in Wales School will ensure you get the best from the day. They will meet you on arrival.
