

Parish News – Website 31 July 2020

Worship in the Cathedral – We are delighted that Church Services have resumed with social distancing and health & safety rules applying.

There have been good attendances at the two 11.15 Communion services held so far. There is no longer a need to notify that you are planning to attend but all those who do must complete a Track and Trace form each time they come.

Weekly Worship – The Friday Shrine prayers and the Sunday 11.15 Worship are now being live streamed to the Cathedral Facebook page. Later in the day they can be watched via the Cathedral website link to Youtube.

Wednesday Eucharist – The Sub Dean is hoping to restart this for Parishioners on 5 August at 10.00am. Entrance will be via the NE Door.

Visit - If you would like a socially distanced visit from Canon Leigh in your garden (weather permitting!) or just over your garden wall - please contact him on 01437 720456 and leave a message, alternatively, if you are part of the WhatsApp Parish Support Group, then you can also contact him via that. To be part of the WhatsApp group, you need to have a mobile phone, please contact Canon Leigh via the number above with your mobile and he will add you to the group.

Annual Vestry Meeting of the Parish – due to take place on 28 July had to be cancelled following guidance from the Diocese on public meetings under Covid restrictions.

Cathedral shops – There are vacancies, for at least one day a week, for shop staff. Anybody looking for part-time employment, including college students, should contact the Deanery office on 01437 720202.

Sunflowers – We have had lots of response to our Mothering Sunday Sunflowers. The tallest that we've heard of is 84", that's 7' 1", which I think we will declare the winner! They have clearly given much pleasure to many people and very many thanks are due to Minor Canon Gillian Butcher for the idea and all the preparation.
