Friday, 01 May 2020

Dear Ms Rose,

On behalf of all pilots, medical crew, staff and volunteers at Wales Air Ambulance Charity I would like to thank you for your generous donation of £100.00 gratefully received on 06/04/2020.Your support will ensure we continue to provide life-saving emergency care to everyone in Wales.

2020 is an exciting year for the charity as we start seeing our vision become a reality and begin making changes that allow us to fly at night. Your helicopters are currently operational 7 days a week, 365 days a year and soon we hope to be a 24 hour service. Your support today will allow us to provide life-saving treatment to everyone in Wales during their hour of need, regardless of the time of day.

We are called to approximately 2,500 incidents every year, and this includes the youngest of Wales' residents. We help around 400 children and babies a year, either on emergency 999 missions or by using our dedicated transfer helicopter - the Children's Wales Air Ambulance.

Our critical care practitioners along with our "flying doctors" are delivering exceptional pre-hospital care. This is done by carrying blood and blood products along with medical kit that is not available on land ambulances. To provide this level of service the charity needs to raise £8 million every year and we only get funding from the people of Wales so your support is vital.

Thank you again for supporting Wales Air Ambulance Charity. If you would like to find out more about us then please visit our website at www.walesairambulance.com.

Yours sincerely,

Dr Ami Jones
Critical Care Consultant

"Church warden Maggie Rose has received a letter from Wales Air Ambulance, acknowledging the donation given in lieu of the Lent lunch which was to have been held at Bryn Haul and she would like to thank all those who supported this cause."
